RE: Nielson Sandstone Mine NOI Submittal – Current Permit number M/023/012

Dear Mr. Hedberg:

The BLM recently reviewed the mine plan submitted by Ash Grove Cement for the Nielson Sandstone Mine. They requested a taxpayer ID number and a general schedule of operations. I have enclosed with this letter the necessary page additions/revisions needed to address these concerns. Please remove and destroy the old pages 107-2 and 107-3 and replace them with the enclosed new pages. Also insert figure 107-1 following page 107-3.

I apologize for this oversight and appreciate your patience. Please do not hesitate to contact me at (435) 857-1208 if you have any questions or comments.

Sincerely,

Aaron Bufmack  
Assistant Plant Engineer  
Ash Grove Cement, Leamington, UT
